PERSONAL SUMMARY

Motivated and results-driven professional with proven experience in warehouse operations and team supervision. Known for strong communication and interpersonal skills, with a keen ability to foster client relationships and support seamless operations. Eager to contribute to a dynamic organization in a role that leverages both customer service expertise and leadership capabilities. Open to opportunities as a Customer Service Representative, Front Desk Associate, or Supervisory Team Lead.

WORK EXPERIENCE

Loan Recovery Officer

Midstream Global Investment Limited, Lagos State

March 2025 – Present

As a Loan Recovery Officer, I am responsible for managing and resolving delinquent accounts while maintaining a high level of professionalism and adherence to ethical standards. I collaborate closely with internal finance teams to achieve monthly and quarterly recovery targets and support the organization's overall financial stability.

Key Responsibilities:

- Maintain consistent and respectful communication with clients to encourage prompt repayment and build positive relationships.
- Monitor and follow up on overdue accounts, negotiating realistic and sustainable repayment plans.
- Escalate unresolved or complex cases to the appropriate departments for further action.

- Ensure the confidentiality of client financial information, adhering strictly to data protection and privacy regulations.
 - Collaborate with the finance department to reconcile payments and maintain accurate, up-to-date account records.
 - Apply tact, empathy, and negotiation skills to recover debts without compromising customer trust.
 - Contribute to the organization's financial goals by meeting recovery KPIs and improving overall loan portfolio performance.
-

Online Sales & Customer Experience Specialist

Minimalee.ng

2024 - Present

As an Online Sales and Customer Experience Specialist, I serve as the key link between the brand and its digital customer base, ensuring a seamless and satisfying experience across all online platforms. I manage the end-to-end customer journey, from product inquiry and sales conversion to post-purchase support, while upholding the brand's minimalist design values and delivering tailored solutions that drive satisfaction and retention.

Key Responsibilities:

- Manage online inquiries and sales through social media platforms and direct messaging, ensuring prompt and professional responses.
 - Guide customers through product selection, customization options, and purchase processes to increase conversion rates.
 - Resolve customer issues effectively and empathetically, including handling complaints, tracking orders, processing returns, and addressing product concerns.
 - Maintain accurate records of orders, interactions, and feedback using CRM tools to inform sales strategy and improve service delivery.
 - Collaborate with logistics and fulfillment teams to ensure timely and smooth delivery experiences for customers.
 - Monitor online reviews and customer feedback, providing insights to the product and marketing teams for continuous improvement.
 - Support digital marketing campaigns by engaging with prospective clients, promoting products, and upselling complementary items.
 - Uphold the brand's minimalist aesthetic and communication style in all customer interactions and content.
-

Business Sales Manager

David Otete Enterprise

(Wholesale Distributor of Vegetable Oil), Delta State

March 2021 – May 2023

As Business Sales Manager, I played a pivotal role in driving revenue growth, managing client relationships, and expanding the company's market footprint in the wholesale distribution of vegetable oil. I led strategic initiatives to boost sales performance, optimize client satisfaction, and ensure efficient product delivery across regional markets.

Key Responsibilities:

- Designed and executed strategic sales plans to increase bulk distribution and enhance revenue performance.
- Built and maintained strong relationships with wholesalers, retailers, and key distribution partners to foster long-term loyalty and repeat business.
- Identified new business opportunities, expanded customer base, and improved market share within the region.
- Set and tracked sales targets, provided performance oversight, and supported team development to meet business goals.
- Ensured timely delivery of orders and coordinated effective customer feedback mechanisms to resolve issues promptly.
- Worked closely with logistics and operations teams to manage inventory levels and ensure seamless order fulfillment and supply chain efficiency.

Awani Enterprise, Reckitt Benckiser

(Southern Sole Distributor, Delta State)

Sep 2016 to Jan 2020

Warehouse manager

I managed inventory levels, supervised warehouse staff, coordinated deliveries, and ensured compliance with health, safety, and quality standards.

Job Description

- Supervise all warehouse operations, including receiving, storing, inventory control, picking, packing, and dispatching of goods.
- Ensure timely and accurate delivery of Reckitt Benckiser products to retailers, wholesalers, and other customers across the Southern region.
- Coordinate with logistics and sales teams to ensure order fulfillment and distribution planning alignment.
- Develop and monitor KPIs for warehouse staff and provide regular performance feedback.

- Manage warehouse staffing, including training, scheduling, and supervision.
- Ensure security and proper handling of all stock and materials.
