Working Experience:

Senior Analyst, Brands & Corporate – CMC Connect LLP, Feb 2025 to present

- Played a key role in the publication of the firm's weekly newsletter - Public Affairs Online, contributing some of the top features and actively participated in editorial meetings.
- Provided leadership for the Digital Team, lending support to cross-functional teams towards realising organisational goals and objectives.
- Developed monthly content calendars for social media platforms and websites of my employer and clients, crafting copies and guiding graphic designers and multimedia editors to create aligned collaterals.
- Participated in the planning and execution of strategic communications initiatives for high-profile clients like IHS Towers, Airtel Nigeria,

amplifying brand voice, visibility and elevating reputation.

- Directed digital marketing initiatives, Key Opinion Leaders (KOL) partnerships, sentiment analysis and content creation for clients, promoting engagement with critical stakeholders.
- Advised C-suite executives on communications strategies and crisis management principles and praxis, ensuring alignment with business goals.
- Execution of day-to-day deliverables for assigned accounts, collaborating cross-functionally to ensure that collaterals meet clients' expectations and are delivered on time and within budget.
- Supported pitching and tissue sessions with market intelligence, competitor insights and sentiment analysis.
- Tracked and measured the effectiveness of PR campaigns through key performance indicators, providing clients with actionable insights.

African Content Writer – Dissimilar Media Group (Publishers of Sportblot), Jan 2025 to April 2025

- Monitored trends and developments affecting African athletes worldwide.
- Researched and wrote features on football talent playing in domestic leagues across Africa.
- Developed in-depth analyses on all teams billed to participate in the 35th edition of AFCON.
- Scripted and published three feature articles on sports development in Africa every week.
- Cast compelling captions and headlines for content.
- Implemented SEO strategies for Sportblot and managed its social media platforms.

Senior Digital Content Producer – News Central TV, Sept 2024 to Jan 2025

- Elevated engagement rates in News Central's digital channels and demonstrated strong community interaction through effective content delivery and relevance.
- Planned, produced and created programmes of a digital nature, including documentaries and published the same on social media platforms.
- Was part of the team that planned and executed the News Central Town Hall series
- Monitored societal trends from which I developed high-value content that enhanced digital monetisation.

- Fact-checked curated content and reporters' news packages for accuracy, saving my employer from lawsuits and losses.
- Was on the field to interview sources and gather reports that can interest the digital audience.
- Developed creative ideas and suggested innovative ways of delivering digital content to the right audience.
- Created graphics and edited photos in a close collaboration with the internal design team
- Mapped out how digital assets can be optimised for business results.
- Monitored and analysed the performance of digital channels/activities using tools like Google Analytics.
- Created awareness and interest within News Central's varied audiences and stakeholder groups, driving traffic to engage with digital content.
- Reported on and gave feedback to stakeholders, using their feedback to improve subsequent deliverables.

News Editor – Blackdot Media (publishers of Skabash), Jan 2024 to Aug 2024

- Wrote regular editorial pieces that explain issues in the news to readers.
- Ensured errors are reduced to the barest minimum (5% error margin).
- Coordinated writers towards carrying out their assigned daily tasks.
- Improved content strategy and quality by developing News writing processes and workflows.
- Ensured headlining is top-notch to attract more traffic (90% quality headlining metric).
- Held training sessions with writers and reporters, imparting them with the knowledge to perform optimally.
- Suggested new and more efficient ways of working whilst taking ownership of the news desk.
- Edited and proofread articles to ensure accuracy, clarity, balance, and alignment with the house style.
- Pitched new ideas, analysed competition and worked with the leadership team to identify at least one new business opportunity.

Contributing Editor – Naija News, Oct 2020 to Sept 2023

- Participated in weekly editorial meetings.
- Researched topics for the newspaper's weekly editorials.
- Scripted a minimum of 1000-word editorial per week.
- Proofread contents published on naijanews.com for quality assurance.
- Maintained a backend account where I published content.
- Trained and mentored reporters, writers and new hires.
- Edited and fact-checked stories from reporters, writers and correspondents.
- Grew and added premium contacts to the newspaper's directory of credible news sources.

Contributing Editor – Allnews Nigeria, June 2020 to Aug 2020

- Investigated and developed special reports and investigative stories.
- Wrote and published at least five news stories per week.
- Sourced news sources for interviews and exclusive reports.
- Edited and fact-checked stories from reporters, writers and correspondents.
- Attended press conferences and news events for the medium's visibility.
- Grew and added premium contacts to the newspaper's directory of credible news sources.

Senior Editor - BridgeGap Consults/Opera News, Sept 2019 to May 2020

- Worked on the Opera Content Management System (CMS) to post and optimise content crawled by the AI from diverse websites in the appropriate categories and format.
- Revised content on the CMS, with catchy captions that align with SEOs.
- Sent personalised push notifications of bespoke content for Top News users four times a day.
- Was among the Team drafted to ideate and pioneer the Opera News Hub/Self Media project.
- Signed up, on-boarded and managed influencers/veteran journalists and authors for User Generated Content (UGC).
- Reviewed and approved content submitted by other content creators for

quality assurance.

- Resolved disputes and acted as an intermediary between Opera News and content creators.
- Contributed winning ideas during weekly strategy meetings and trained my subordinates.
- Represented Opera News at news events and press conferences for select editors.

Senior Reporter/Editor - Daily Post Nigeria, Aug 2014 to Aug 2019

- Created stories and wrote news stories that raked in millions of unique views.
- Developed House Style for dailypost.ng and trained reporters/writers on implementation of the manual.
- Filed in a minimum of 10 stories per day, six days a week.
- Did investigative stories, one of which exposed corruption at the Industrial Training Fund in 2014.
- Conducted and worked on special reports and interviews.
- Cultivated news sources, bringing in contacts of major political actors, newsmakers and business leaders.
- Supervised and directed correspondents and reporters on news stories in their beats to work on.
- Fact-checked reports filed by reporters to guard against clickbait and legal or ethical liabilities.
- Edited content for errors and crafted the right headlines that sell stories to readers.
- Carried out field reports for dailypost.ng, including covering press conferences in Abuja.
- Performed overall editorial oversight whenever the managing editor was away.

Reporter/Presenter/Newscaster - Confluence Television Lokoja, March 2014 to July 2014

- Worked as a roving reporter in Lokoja and conducted vox pop on the streets.
- Produced news scripts for Confluence Television and Grace FM.
- Presented the 8 pm newscast on Confluence Television.
- Produced and presented the weekly programme – Business Roundup.
- Cultivated news sources and experts to invite to the programme.

- Monitored local and international news channels and developed reports from their feeds.
- Participated and contributed winning ideas in weekly editorial meetings.
